

2007-2008 *Pep Band Agreement*

1. I Agree to play for the following Pep Band Events.
2. I Understand that I must attend 4 of the first 6 Pep Band Events to be eligible for an A for 2nd Quarter in Band. I understand that I must perform at 2 of the final 4 Pep Band Events to be eligible for an A for 3rd Quarter in Band.
3. I Understand that activities sponsored by the school are excused for missing Pep Band, but work and any other non-school sponsored events are not considered excused absences for events not attended. This will only be a factor for those who cannot make the required Pep Band Events for each Quarter.
